## ***Threats and Opportunities with Heritage***

After the AGM we will have David Watt, Senior Outreach Advisor, Regional Services, Heritage New Zealand Pouhere Taonga speak to us on some current issues around heritage in the capital.

David has had over 27 years with Heritage New Zealand Pouhere Taonga, following a career in public relations in Parliament, in other parts of the public and private sector, a local body politician for 12 years, being the last Mayor of Tawa and a former deputy Mayor of Wellington for six years from 1989-1995. He has had extensive involvement with owners of heritage properties on conservation issues and coordinating heritage events around the Wellington region.

## ***March speaker: Clare Gleeson - Alfred Buxton and His Gardens***

We had a good turnout at our last meeting to hear Clare talk about the life and works of Alfred Buxton, the father of landscaping in New Zealand. As well as talking about his early life and broader career, Clare also shared images of gardens he designed in the Wellington area, particularly Homewood.

More detail about Clare's book on Alfred, *The Fairer Side of Buxton*, can be found [here](#).
